

Marr Residence Rental Policy

1 - Policy Statement:

- 1- The Marr Residence, at the discretion of the Board, may be rented out for use by not-for-profit groups, with preference given to such groups that are heritage related (examples: Saskatoon Heritage Society, Saskatoon Elm Society)
- 2- Such use is conditional on availability of a Marr Board member or designate to open and close the house and, normally, to be present for the duration of the rental time.
- 3- The Marr Residence Board may waive the presence of a board member or designate for the duration of the rental for a group that has rented previously and shown itself to be a reliable renter, respectful of the historic value of the house.

2- Rationale:

- 1- The Marr Residence's goal is to interpret to the general public the history of the house and the artifacts within it.
- 2- The Marr is a fragile environment containing many valuable features and artifacts. Therefore use needs to be controlled. Overuse would compromise the house.

3 -Procedure:

- 1- Application for rental of the Marr shall be by filling out the on-line application form and e-mailing that form to <marrrresidence@gmail.com>
- 2- Groups must apply at least one month in advance so that the Board can consider the request
- 3- If the request is approved and a board member or designate has been assigned to open and close the house, the group will be notified.
- 4- If the request is denied, the group will be informed why.

4-Conditions:

- 1- To maintain the condition of the Marr Residence and its artifact collection
- 2- To make effective use of volunteer time.

5-Renter Responsibilities:

- 1- To ensure the house is left clean and in the same condition in which it was rented and that all renter materials are removed.
